COVERAGE CHART

PEMBROKESHIRE COAST NATIONAL PARK

AIATIMAIAI DADI/											
NATIONAL PARK The shaded boxes indicate the range of opportunities learners may have to access the Statements of what matters (SoWMs). However, learners could have opportunities to access other AoLEs and SoWMs, especially if elements of each activity are used flexibly or adapted for learner needs and interests.	Exploring our local designated landscape	Saving ourselves and others	What can we see in the dark?	Exploring the Preselis	What local food could be superfood for the future?	Catching dreams and warding off evil spirits	What to do with rubbish?	How safe is sea swimming?	From source to sea	People and communities in Pembrokeshire	
AOLEs - Statements of what matters											
Expressive Arts											
Exploring the expressive arts is essential to developing artistic skills and knowledge and it enables learners to become curious and creative individuals.											
Responding and reflecting, both as artist and audience, is a fundamental part of learning in the expressive arts.											
Creating combines skills and knowledge, drawing on the senses, inspiration and imagination.											
Health and Well-being											
Developing physical health and well-being has lifelong benefits.											
How we process and respond to our experiences affects our mental health and emotional well-being.											
Our decision-making impacts on the quality of our lives and the lives of others.											
How we engage with social influences shapes who we are and affects our health and well-being.											
Healthy relationships are fundamental to our well-being.											
Humanities											
Enquiry, exploration and investigation inspire curiosity about the world, its past, present and future.											
Events and human experiences are complex, and are perceived, interpreted and represented in different ways.											
Our natural world is diverse and dynamic, influenced by processes and human actions.											
Human societies are complex and diverse, and shaped by human actions and beliefs.											
Informed, self-aware citizens engage with the challenges and opportunities that face humanity, and are able to take considered and ethical action.											

COVERAGE CHART PEMBROKESHIRE COAST NATIONAL PARK	Exploring our local designated landscape	Saving ourselves and others	What can we see in the dark?	Exploring the Preselis	What local food could be superfood for the future?	Catching dreams and warding off evil spirits	What to do with rubbish?	How safe is sea swimming? AOLEs - Statements of what matters										
Languages, Literacy and Communication										
Languages connect us.										
Understanding languages is key to understanding the world around us.										
Expressing ourselves through languages is key to communication.										
Literature fires imagination and inspires creativity.										
Mathematics and Numeracy										
The number system is used to represent and compare relationships between numbers and quantities.										
Algebra uses symbol systems to express the structure of mathematical relationships.										
Geometry focuses on relationships involving shape, space and position, and measurement focuses on quantifying phenomena in the physical world.										
Statistics represent data, probability models chance, and both support informed inferences and decisions.										
Science and Technology										
Being curious and searching for answers is essential to understanding and predicting phenomena.										
Design thinking and engineering offer technical and creative ways to meet society's needs and wants.										
The world around us is full of living things which depend on each other for survival.										
Matter and the way it behaves defines our universe and shapes our lives.										
Forces and energy provide a foundation for understanding our universe.										
Computation is the foundation for our digital world.										

COVERAGE CHART PEMBROKESHIRE COAST NATIONAL PARK Literacy and Numeracy Framework	Exploring our local designated landscape	Saving ourselves and others	What can we see in the dark?	Exploring the Preselis	What local food could be superfood for the future?	Catching dreams and warding off evil spirits	What to do with rubbish?	How safe is sea swimming?	From source to sea	People and communities in Pembrokeshire
Literacy										
Translanguaging										
Listening										
Listening for meaning										
Developing vocabulary										
Listening to understand										
Listening as part of collaborative talk										
Reading										
Phonological and phonemic awareness										
Reading strategies										
Understanding, response and analysis										
Speaking										
Clarity and vocabulary										
Purpose										
Collaborative talk										
Questioning										
Writing										
Vocabulary, spelling, grammar										
Connectives and syntax										
Punctuation										
Planning and organising for different purposes, audiences and context										
Proofreading, editing and improving
